Let's save the Arrows

■ HOW THE RED ARROWS FIRST CAME TO LYME See page 7

By GROUP EDITOR PHILIP EVANS

THIS week the *View From Lyme Regis* is calling on the people of Lyme to rally round to ensure that the resort's biggest summer attraction for the past 40 years continues.

The RNLI Guild, organisers of Lifeboat Week, announced last week that in future they will have to pay a fee of at least £12,000 for the RAF's crack aerobatic team, the Red Arrows, to appear in Lyme again.

The news is a huge blow to Lyme's tourism industry with Red Arrows day estimated by some to bring in £250,000 to the local economy, as well as raising thousands for the RNLI.

In a bid to save the Red Arrows' future visits to the town, this newspaper is co-ordinating a meeting of community leaders and Lifeboat Week supporters to explore ways of raising the money.

■ TURN TO PAGES 6, 7 & 8 FOR FULL STORY

■ SPECTACULAR: A typical summer scene in Lyme Regis with thousands watching the Red Arrows soar over Lyme Bay. But unless significant funds can be raised, the Arrows will no longer appear in the resort. *Photo by FRANCESCA EVANS*

60 SECOND INTERVIEW

BOB Carter lives in Honiton with his wife Ros and works with Honiton Cats Protection, a charity that helps cats find new homes. He has risen from adopter, to secretary, to the new co-ordinator of the branch.

● HOW did you become involved with Honiton Cats Protection?
My wife would be classed as an Ailurophile, and started fostering with Honiton cats Protection in 1992, and I helped her with looking after the foster cats and going on home visits.

In 2003 I became Secretary for the Branch, and continued with assisting my wife fostering, catching strays occasionally, going to check the suitability of homes, when people want to adopt cats etc.

● WHAT are the most rewarding things about helping animals?
Fostering can be very rewarding, Late one night we picked up a cat from Turks Head. It was badly injured as its collar was around her head and paw. After many visits to the vets, her injury was no better, so the vets did a skin graft, which, after three months' care did the job. Following advertising Phoebe, as we called her, was reunited with her original owners. She had been gone for more than a year, and the owners had given her up for lost, so it really was a happy ending.

● ANY unusual incidents?
WE had a mother with some six-week-old kittens, who had not been socialised. My wife Ros warned me that they were a bit feral, but I said they were only six weeks and needed to be handled, I picked one up, and within an instant the kitten had sunk his teeth in my little finger, they only have their baby teeth at that stage, but it was like a few needles going in! It was slightly embarrassing going to Honiton A&E to get it seen to! (I needed a large tetanus jab).

● YOU became the co-coordinator of the branch, what's that like?
It can be quite challenging at times dealing with some difficult issues, there are occasions when you need to take some difficult decisions, for example if a cat has serious health problems, but there are fortunately many more times when we find a lovely new owner a feline companion, and we get photos of the adopted cat in their new home.

Being involved in this work also has sometimes unintended results, in the last few years some of the foster cats have "adopted" us and have come out of the pen into our home and we wouldn't be without them now!

● WHAT other challenges does the organisation face?
Getting enough volunteers to help with fostering the cats in our care, and also to help in our shop in the High street, which is our biggest source of weekly income, in order to be able to do what we do. We do need another fosterer and shop volunteers are welcomed with open arms.

● APART from fostering cats what other aims does Honiton Cats Protection have?
One of Cats Protection's aims is to try to stop too many unwanted cats. This year we have been running a scheme for neutering and microchipping for the EX14 area for £10. Last year we neutered 266 cats, and this year so far about 100, we hope in the long term this will assist in reducing homeless felines.

● YOU'VE been fostering cats from the Cats Protection since 1992?
I HAVE always had cats, from a very young age and they never stop being entertaining. We had a "cat proof" fence built around our back garden, partly to let some of the foster cats have a bit more freedom. At the time we had two cats called Betty and Boop, who we let out in the fenced area. Within about two minutes of being let out, Boop had climbed the fence, and got onto the roof of the bungalow, and we then spent the next hour trying to coax her down! These two cats were homed to a lady in Honiton, who soon became our Treasurer, so cats help with making new friends!

● HOW many members does Honiton Branch have?
We are a small branch covering the EX14 area and have between 30 to 40 members, membership is only £8 a year and you get our small magazine three times a year to keep you in touch with everything.

I HOW many cats do you help each year?
Last year we rehomed 42 cats, and kittens, together with helping reuniting strays with their owners, ferals and other cats in need.

● DOES any of your funding go to the national organisation?
No, all monies raised in the shop or other fundraising goes directly to help cats and kittens in the Honiton area only. We do get a grant to help with neutering, but we keep all money that we raise in the area. We really are a local charity.

Shuttle bus service to operate during Church Street closure

BUS company First has struck an agreement with Dorset County Council to arrange a shuttle bus between Lyme Regis and Axminster whilst Church Street is closed for six weeks due to several properties being renovated.

First said they were not consulted over the road closure and would not be able to run buses through Lyme whilst the work was being carried out.

But following an uproar from regular passengers, who faced having to travel to Hunters Lodge or Charmouth to catch the bus, First have come to an arrangement with Dorset Travel and Dorset County Council.

First have issued the following statement: "The closure has been put in place by Dorset County Council's Highways Department following a request from a developer without prior consultation with us as to what impact the closure would have on our bus services in the town.

By PHILIP EVANS
philip@pemedia.co.uk

"As a result, from September 15th until September 26th, Service X53 will run hourly and serve the west end of Lyme Regis. Buses will serve the Co-op and will operate via Silver Street, Pound Street and Pound Road. Buses to and from Exeter will continue along Sidmouth Road.

"However, Service X31 will not serve Lyme Regis for the duration of the closure. Customers wishing to travel to and from Axminster will need to change at Hunters Lodge.

"From September 27th, Service X31 will become the X51. On most journeys, Service X53 will no longer serve Sidmouth Road. Instead it will operate via Axminster and will therefore no longer serve Lyme Regis.

"Regrettably, we will not be able to serve the Charmouth side of Lyme Regis during the road closure. The Jurassic Coaster route is a very important part of our bus network in Dorset and East Devon. This is the reason why we have increased the frequency of buses running between Bridport, Lyme Regis and Axminster.

"We do offer our sincere apologies for the inconvenience these necessary changes to our services will cause our customers. We hope that going forward, we will be able to consult more closely with the county council's highway team with a view to developing sustainable plans to minimise the impact on public transport during unavoidable road closures."

Church Street closed this week for works to be carried out to private properties, and is expected to remain closed for up to six weeks.

Police helicopter search after overnight burglaries

POLICE were making enquiries on Monday after a number of burglaries took place overnight in Lyme Regis.

A burglary at a property in Charmouth Road was reported at 7.41am on Monday. Entry was gained to the house overnight and a number of items were stolen, as well as the homeowners' vehicle, a red E reg Mercedes A160.

Two other burglaries took place overnight in the Charmouth Road and Church Street areas, which officers believe may all be linked.

Police have been making enquiries today, visiting properties in the Charmouth Road and Church Street area, and the National Police Air Service helicopter circled the town assisting with the search for a suspect. No arrests have been made.

Police have warned residents in this area to be vigilant and are asking anyone with information regarding these incidents to contact Dorset Police on 101, quoting incident number 14:35.

■ OVERNIGHT on September 12th entry was gained to a café on Marine Parade, Lyme Regis, and a quantity of money was stolen from the till.

The front door of a shop at the bottom of Broad Street was also damaged.

Police would like to remind all businesses not to leave money in tills when the premises are closed.

A police spokesperson said: "Tills are not a secure location to store your hard earned cash, not even your float. Either store it in a secure safe, or remove to a secure location."

If anyone has any information regarding these crimes, call 101 quoting crime 55150088559.

Residents advise council on objectives for next four years

SEAGULLS, TRAFFIC AND BEACH SHOWERS MOST POPULAR PROPOSALS

A STRATEGY to tackle seagulls, improved traffic management and the installation of showers and changing facilities on the beach have been chosen as the most popular objectives for Lyme Regis Town Council to take forward.

Residents were asked to comment on a number of possible objectives for the council to work on over the next four years at a "Time to Talk" consultation event, held last Friday at the Woodmead Halls.

By FRANCESCA EVANS
francesca@pemedia.co.uk

About 100 people attended the event to select their favourite proposals and make their own suggestions about what the council should be focusing on.

Deterring seagulls, improving traffic management in the town and installing showers and changing facilities on the beach were the most popular proposals, with others including further provision of public toilets and the need for more litter bins in the town.

Speaking after the consultation event, the Mayor of Lyme Regis, Councillor Owen Lovell, said: "I was very pleased to see so many people attend this event and would like to thank everyone for their contribution."

Councillor Lovell went on to say that the council would be considering a long-list of draft objectives at its Strategy and Policy Committee on September 23rd and aimed to sign-off its objectives for the next four years in November.

AS Lyme Regis ArtsFest draws near, new sculptures are popping up all over the town and surrounding areas.

Two of the latest to be installed each focus on recycled materials. Town congratulates Queen on record reign

THE town crier of Lyme Regis, Alan Vian, gave a special cry in recognition of Her Royal Highness Queen Elizabeth II's record-breaking reign last week. A large crowd gathered outside the Guildhall at 11am on Wednesday to hear Mr Vian heap praise on Her Majesty, as she celebrated 63 years on the throne. The 89-year-old monarch surpassed the record for the longest reign set by her great great grandmother Queen Victoria. The Mayor of Lyme Regis, Councillor Owen Lovell, has also sent a letter of congratulations to the Queen on behalf of the town. ***Photo by PETER HODGES***

Residents and visitors pledge funds for Red Arrows display

LYME Regis residents and visitors have started pledging their support for future Red Arrows displays in the town, after organisers of Lifeboat Week said they cannot find sufficient funds for their star attraction.

The Lyme Regis and Charmouth RNLI Guild, which organises Lifeboat Week, announced last week that it would have to pay more than £12,000 for the RAF's crack aerobatic team to appear in future years, and almost £3,000 for the RAF Falcons parachute display team.

The Red Arrows and Falcons, whose thrilling displays annually attract huge crowds to the town raising thousands for the RNLI, have previously appeared in Lyme Regis free of charge as a thank you to the lifeboat crew for its voluntary services, but display fees will apply in future due to the transition of search and rescue services from the RAF to a civilian contractor.

As usual the RNLI Guild applied for a visit from the Red Arrows almost immediately after this year's Lifeboat Week, during which both displays were rained off. In their response it was stated that the current charge for the Red Arrows was £12,184 and the Falcons £2,939 and these costs were likely to rise next year.

The RNLI guild said that they were unable to find sufficient funds from donations in Lifeboat Week to pay for these displays, and thanked the Red Arrows and RAF Falcons for their support over many years.

A spokesperson said: "For many years we have been very fortunate with the Red Arrows and the RAF Falcons visiting the town in Lifeboat Week and supporting the RNLI charity free of charge. Their stunning displays have been a huge attraction to residents and visitors alike, and we know their inclusion in the programme of events has been responsible for raising many thousands of pounds for our charity.

"Regrettably, we cannot find sufficient funds from donations in Lifeboat Week to pay for these displays. The presence of these two magnificent teams will be sorely missed by thousands of people, but this year – when they could not fly because of the weather – we felt we were still able to provide plenty of family events, and donations were not severely affected. Our final figure for this year's week is in the region of £25,000.

"Finally, we would like to extend our deep gratitude to the men and women of the Red Arrows and the RAF Falcons and, indeed, the Ministry of Defence, for their wonderful support for our fundraising over many years."

A separate statement posted later on the Lifeboat Week Facebook page said: "Lyme Regis and Charmouth RNLI, although disappointed that the Red Arrows will not be part of Lifeboat Week next year, are not seeking alternative funding or discussing any plans to do so. However we are already in the process of planning events for next year with all our old favourites included and some new ideas. We are looking forward to another successful week and your valued support in raising funds to help save lives at sea."

But residents and visitors have refused to accept that the Red Arrows will never grace the skies of Lyme Bay again, with many suggesting alternative ways of funding the displays.

An online fundraising page has now been launched by local resident Cameron Hodder, whose father served as a lifeboat crew helmsman for 20 years. The page aims to raise £17,500 in just a month so the Red Arrows and Falcons can return in 2016, with £270 pledged so far.

The website only allows fundraising campaigns to run for a month, and Cameron is also keen that funds are raised quickly before display dates during Lifeboat Week are booked up.

"Having grown up with Lifeboat Week, it just wouldn't be the same without the Red Arrows and Falcons. Approximately 20,000 people come to see them display. Everyone's so generous already, but if each of those people gave 88 pence here, we'd reach the target and be able to see them in 2016," he said.

Is it possible to raise the money?

THE answer to that question is that we don't know - but surely we should try?

A crowdfunding scheme has already been set up by Cameron Hodder - a good old Lyme fishing family name - with the target of raising £17,500 in a month to pay for the Arrows and the Falcons to return to Lyme in 2016.

At the time of going to press, £270 had been donated.

The **View from Lyme Regis** is in the process of investigating other fundraising initiatives and this newspaper understands that it may still be possible to secure a date during next year's Lifeboat Week (July 23rd-30th).

We are talking to a number of community leaders and high profile RNLI supporters who are backing our campaign to Save The Arrows.

The RNLI Guild, which organises the annual Lifeboat Week, have made it clear they are not in a position to mount a fundraising campaign themselves so it would have to be a community effort.

Among those supporting our campaign are the Mayor, Owen Lovell, and top chef Mark Hix, who is a big supporter of the RNLI, having raised thousands for Lifeboat over the years.

Raising funds for a visit by the Red Arrows happened in other towns, so there is o reason to think that we can't do it in Lyme.

How the arrows first appeared in Lyme

IS there a sight that stirs the heart and fosters Britishness more than the Red Arrows soaring in over Lyme Bay?

If there is, I have yet to see it.

I have a personal reason for wanting the Red Arrows to continue their association with our town that goes back more than 40 years - an association which has helped raise thousands of pounds for one of Britain's favourite charities, the RNLI, and boosted the local economy by hundreds of thousands.

A summer in Lyme without the Red Arrows is akin to Rio without its carnival.

I was responsible for bringing them to Lyme in the first place.

This is how it happened.

From the age of 19 - for ten years - I was secretary of Lyme Regis Regatta & Carnival. With a band of a dozen or so locals who always took Regatta Week off to help out, we built one of the biggest events of its kind along the south coast.

In 1978 - my last year as regatta secretary - the week's programme cost £8,000 - at today's value that would be a staggering £44,000. And we still made a small profit!

In the early 70s - I think it was 1973 - I was on holiday in Jersey with my brother and sister-in-law, John and Chris, and a great family friend, regatta president Ivor Curtis, who went on to become a councillor and mayor.

It was RAF Week in Jersey whilst we were there, the big attraction being the Red Arrows. I had never seen anything like it before; they were simply breathtaking.

Ivor was always quick to spot an opportunity and told me: "Evans, when we get home you should try and get the Red Arrows during Regatta Week"

As soon as I got back to Lyme I wrote to the Ministry of Defence and got an immediate reply saying they would be delighted to appear that August.

Their arrival was greeted with much anticipation and a crowd

By PHILIP EVANS
who brought the Arrows to Lyme for the first time in the 1970s

much larger than we usually attracted. I shall never forget that first display. Everyone was looking out to sea when Red 10 announced: "Ladies and gentlemen, we proudly present the Red Arrows".

Exhilarating

And within a nano-second they screamed in over our heads from the back of town when we all expected them to come in over the sea. It was exhilarating and little did we know that was a thrill that would be experienced by tens of thousands of people over the next 40 years.

Richard Fox, who went on to become one of Lyme's most passionate promoters, had recently moved to the town to take over the Cobb Arms s and he played an important part in launching Lifeboat Week.

Richard saw a chance and grabbed it and the next year the Red Arrows appeared again, not during Regatta Week but in Lifeboat Week.

It caused a few heated arguments but we soon settled our differences and members of the Regatta Committee collected money during the Lifeboat Week display that second year.

We soon realised that an aerobatic display sat more comfortably within the Lifeboat Week programme ensuring an annual visit without cost as a thank you from the RAF for the rescue service performed by the lifeboat crew.

Had it stayed as a regatta event there would have been a charge many years ago. This summer, for instance, the Arrows appeared at Sidmouth Regatta for a fee of £15,000.

Over the years Red Arrows day has become the busiest of the summer season, a huge money spinner for Lifeboat Week. I understand that collections on the day sometime reach £5,000.

Unfortunately, the Arrows' performance was called off at the last minute this summer because of the weather and the other big attraction of the week, the Falcons, the RAF's parachute team, also had to be cancelled. A fee (something in excess of £3,000) will also have to be paid if they are to drift down onto our beach again next summer.

To be honest, I have enough on my plate at the moment but because of my early involvement with the Red Arrows relationship with Lyme, I feel compelled to try to do something. Since Sunday I have spoken to a number of people in the town who say they will give their backing.

We don't want to tread on the toes of the RNLI Guild who have worked so hard over the years making Lifeboat Week what it is today. I understand they are not in a position to take on fundraising of such magnitude.

I think we should come together as a town - because in many ways the Red Arrows display is a town event. We may fail - but at least we will have tried.

We're getting behind Red Arrows campaign

MAYOR OWEN LOVELL: "I was disappointed to hear that the Red Arrows would not be coming to Lyme Regis next summer.

"Red Arrows Day has traditionally been the highlight of our summer season for the past 40 years. It would be a great shame if that relationship was allowed to disappear.

"It is desirable that we keep the Red Arrows but it's a question of how and when they will appear. If the town is willing to put money into this, perhaps it could be held as a stand alone event, which would attract more people to the town at a different time of year."

COUNCILLOR CHERYL REYNOLDS, chairman of the town council's Tourism and Economic Development Committee: "As a Lyme girl I remember the first time the Red Arrows appeared in Lyme. We have been very lucky to have had them every year without cost.

"As chairman of the committee which keeps a watching brief on the economic development of the town, I am accutely aware of the importance of Red Arrows Day to the whole community.

"It is difficult to think of a summer without the Red Arrows and I will give my personal support to any fundraising campaign to keep them coming to Lyme."

CHEF MARK HIX: "I've been a supporter of the RNLI, especially in Lyme Regis, for many years and my restaurants have raised a considerable amount for the charity over the years. Lifeboat crews do a fantastic job around our coastline and deserve our support.

"Lifeboat Week in Lyme Regis attracts thousands to the resort every year. The Red Arrows Day is the busiest of the summer, bringing thousands into the town. All businesses benefit from their wonderful display and we must do all we can to make sure they appear every year."

WHAT THEY'RE SAYING ON FACEBOOK...

SOCIAL media has been alight with comments on the Red Arrows and RAF Falcons since it was announced last week that the RNLI Guild, organisers of Lifeboat Week, would have to pay for their displays in the future and had no means of doing so. Here's just some of the comments:

Does require a partnership approach, we ought to look at ways of continuing this spectacular event not for next year but for many to come. I'm sure the town council's tourism committee has it on the radar.
Lyme Regis town, district and county councillor Daryl Turner

Cannot believe the town has apparently given up the fantastic opportunity (even at these levels) without a fight and some sort of innovative fund drive. Recall the indication of charges coming up a few years ago and some smart ideas quickly following. Red Arrows is the highlight of the summer programme in a town whose economy is driven by tourism. Anyone agree or has everyone given up?
Councillor Ian Thomas, East Devon district councillor for Trinity ward (including Uplyme)

What a shame, I was privileged to watch the Red Arrows for last year's RNLI week in Lyme Regis. They were amazing, many will miss them I'm sure.

Mr Cameron you should be ashamed by your government's actions. Such a loss to a fantastic week.

Really sorry to hear this. We have amazing memories of last year's display. Hope this doesn't have a detrimental affect on visitors to Lyme.

We have enjoyed them a lot over the years. But in the end the theme of the week is to show support and raise funds for the RNLI. We will be there next year just the same.

Very, very sad for everyone. I feel a bit tearful about it. Hopefully Lifeboat Week can renew itself and thrive without these set piece events.

Maybe if Dorset County Council offered the money they raise from the car parks in Lyme Regis for one day only to the charity they could use this money to pay for the red arrows.....?

This is a real loss to the Lifeboat Week event. I'm sure people would be prepared to make larger donations in order to secure a display. The reason the donations weren't affected by this year's cancelled display was because so many people (myself included) came to Lyme Regis specifically for the display. They were still in the town, spending money. Without the Red Arrows, the number of visitors will surely be significantly reduced in the future which is bound to impact the amount of money it's possible to raise. I think the organisers should give careful thought to finding ways to raise the fee. Such sad news.

Dawlish manage to pay for a fantastic air show every year. I think (but am not 100%) that it is funded by local business sponsorship. I seem to remember one year all the business owners competing to win a place as the wing walker on one of the planes, may have been the Utterly Butterly plane. They had announced it over the speakers.

If it's going to cost £12,000 for the Arrows why can't the RNLI pay for them out of the £25,000 they make during Lifeboat Week? I'm sure £13,000 of what's left would still be a generous contribution to the bottomless pit of RNLI funds. If not, why can't the council, RNLI and other organisations in the town come up with the money? After all the out-going council managed to 'accidently' give away £10,000 without any hardship.

Residents and businesses encouraged to make most of superfast broadband

By FRANCESCA EVANS
francesca@pemedia.co.uk

LYME Regis residents and business owners are being encouraged to make the most of superfast broadband in the area and take up the service.

Since the rollout of the project in the town, only four per cent of people with access to fibre have taken up the service.

In June, Superfast Dorset announced an extra £3 million investment to extend broadband speed and coverage in Dorset which will benefit Hooke, Swyre, West Bexington, West Milton, Whitchurch Canonicorum and Uploders among others

And leaders of Superfast Dorset are urging more households with access to sign up to ensure the project is a success.

Dugald Lockhart, Superfast Dorset programme lead, said: "Superfast broadband can bring you benefits, whoever you are.

"Businesses can improve profitability through making efficiencies, enabling staff to work more flexibly and allowing sales teams to reach more customers.

"For families, everyone can be online at the same time, whether they are shopping, watching catch-up TV, doing homework or downloading music.

"And for people living alone, faster broadband means they can keep in touch with family and friends more easily through social media or Skype.

"Bridport was the first town enabled through our programme, we would like to see more people benefitting by getting better connected."

Residents will have to contact their Internet Service Provider (ISP) to take up the service, as internet connection does not upgrade automatically.

The current rollout continues to progress throughout Dorset, and to date has provided access to more than 55,000 properties.

In West Dorset, this includes new availability in Bridport, Burton Bradstock, Nettlecombe, Powerstock, Puncknowle, Corscombe and parts of Beaminster.

Work to provide fibre broadband has started in the Marshwood Vale area and Superfast Dorset are still working with Highways England to bring fibre to Chideock, Morcombelake and properties near the East Road (Texaco) roundabout in Bridport.

Businesses are also being encouraged to apply for connection vouchers to help cover installation costs of better broadband.

The scheme, which is on a first come, first served basis, allows businesses to apply for vouchers from £100 to £3,000 and will end when the national funding pot runs out.

To find out more visit the website www.dorset-foryou.com/connection-vouchers

Fundraiser exceeds target for defibrillator on the Cobb

■ **WELL SUPPORTED: The boat jumble sale and raffle saw stalls set up along the Cobb and raised in excess of £3,000** ***Photo by JESS DOUGLAS***

A BOAT jumble sale and raffle, held on the Cobb in Lyme Regis on Sunday, exceeded its target of raising funds towards a defibrillator.

Following the sudden death of Lyme fisherman Brian Marks in July, his fellow fishermen and boatmen wanted to help raise funds for a defibrillator to be installed on the Cobb, which could be accessed by the public in the event of an emergency, such as a heart attack.

The event on Sunday raised £3,100, exceeding the cost of the potentially life-saving equipment, which is around £2,000. The fishing community are now hoping the remaining funds can go someway towards helping Mr Marks' widow and young son.

Organisers would like to thank all those who supported the event, with particular thanks going to Hix Oyster & Fish House, The Harbour Inn and Rob Perry Marine, who donated top prizes for the raffle.

Brownies start new term

LYME Regis Brownies started a new term this week, meeting at St Michael's Primary School on Wednesday evenings.

The group is open to girls aged 7 to 11 years who can enjoy games, songs, socialising and working towards badges.

Leader Kelly Crossley said that this term they will be concentrating on the cooking, craft and book lover badges.

Fellow leader Rachel Dean added: "We would like to thank Lyme Regis Town Council, the Regatta & Carnival Committee, the Co-op store and other local organisations for their support this year."

The Brownie pack has spaces for new recruits, they meet from 5.30pm to 7pm on Wednesday evenings at the school during term time. For more information call 07756 593 811.

Village hall Lottery grant to help improve accessibility

CHARMOUTH Village Hall will become "accessible for all" thanks to a grant from the Big Lottery Fund.

Members of the Charmouth Village Hall Committee are delighted to announce that application for grant aid from the Big Lottery Fund has been successful.

Chairman David Gillings said: "We are really excited about our project, which will make Charmouth Village Hall 'accessible for all' thanks to the Big Lottery Fund.

"It means we can now accommodate users who were previously excluded, as we didn't have suitable toilet facilities. But soon, once the building work is finished, we will be able to open our doors to everyone, whatever their ability. It is a really worthwhile project."

The project was planned after the committee commissioned an access audit of the building in 2013. The access report highlighted areas where the hall could be made more user friendly, and ensure that the village hall would be accessible to people of all abilities, mainly by the construction of a new accessible toilet for wheelchair users, and those with ambulant disability.

There will also be improved signage and colour/tonal contrasting to improve "wayfinding" for those with impaired sight.

Mr Gillings added: "As well as local people, there has been interest from a local day care centre, which likes to take its users out from time to time to enjoy different surroundings, but we need the venue to be able to accommodate our clients."

A spokesperson from the day centre said that village halls were "ideal" for such trips and Charmouth would be a "particularly interesting place to go", as it is right in the heart of the Jurassic Coast.

"We are delighted at the news and can't wait for our first visit," the spokesperson added.

Mr Gillings concluded: "We are so lucky to have the Big Lottery Fund; projects like ours could not go ahead without its financial assistance - it's brilliant and we can't thank them enough.

The hall committee is planning a gala opening of the new toilet block in the new year.

Art society season offers varied programme

AFTER a successful summer, which included the annual exhibition at the Town Mill Malthouse and a smaller display during Lifeboat Week, Lyme Regis Art Society is starting its new season on Tuesday, September 22nd.

The first demonstration will be on acrylic painting by James Tattum, entitled "The Landscape as Power and Emotion".

In addition, as part of ArtsFest, the group is holding a workshop for beginners, run by president Terry Whitworth in memory of the society's late chairman, Edna Dorrington, who was known for her ability to inspire and enthuse people taking up painting for the first time.

The workshop will be running from 10am to 1pm on Monday, September 21st in the Town Mill Community Room. Anyone interested in taking part should contact Pat Dench on 01297 445070.

The next demonstration will be on October 6th when Rebecca de Mendonca will show members how to do portraiture in pastels. This will be followed by a workshop with her on Tuesday, October 13th.

The 2015/16 programme offers demonstrations using a wide range of different media to suit all tastes, including oil and watercolour pastels, acrylics as well as oils over acrylic, pure watercolour and pen and wash. Details of the full programme will be available at the first meeting.

There will also be four workshops over the year, each run by the artist who had demonstrated the previous week, giving members a chance to try out new techniques.

Demonstrations will be held alternate Tuesday afternoons in Woodmead Halls, from 2pm to 4pm, and workshops at Lyme Regis Football Club.

Annual subscription costs £22 and is due at the first meeting, and potential new members and visitors are welcome. For further information, contact secretary Sheila Stratton 01297 445464.

Lyme student expresses thanks to Rotary Club after trip to Fiji

A LYME Regis woman, who received sponsorship towards a trip to Fiji from the Rotary Club of Brit Valley, acknowledged their generosity and her appreciation by giving a presentation to members of her experience at a recent club meeting.

Former Woodroffe School student Rachael Clarke, aged 19, spent three weeks teaching during a total of five weeks on the Pacific island where she lived with a local family.

Rachel, an undergraduate at Cardiff University was part of a voluntary team that took part in a scheme run by Think Pacific

to help promote health, sport and education, particularly numeracy and literature to mainly primary children.

During her visit she stayed with a family along with two other colleagues, and after school was involved in extracurricular activities around the village.

Her experiences were enhanced with a picture show of a variety of activities including learning the local "Haka" dance as well as trying the local drink of "grog" made from roots and plants.

At the end she thanked Brit Valley for their generosity in sponsoring her, and described the trip as "The best experience of her life".

President John Clegg thanked her for her interesting talk, and said he was pleased to see that their money was not wasted.

■ THE Lyme Luggers ukulele group presented a cheque for £560 to organisers of Candles on the Cobb when they performed for the recent event. The group played on Marine Parade on the weekend of Candles on the Cobb in late August. Funds raised during the weekend will be split between local youth causes and Make A Wish UK. Candles on the Cobb committee members Alan Vian and Les Herbert are pictured collecting the cheque.

News in a Nutshell

Local GP to give talk on healthcare review

IN April 2013 groups of local doctors and other health staff, known as Clinical Commissioning Groups (CCGs), replaced Primary Care Trusts as the statutory bodies responsible for the planning and commissioning of healthcare services in their area.

These CCGs have all been engaged in wide-ranging reviews and public consultations as they work towards an agreed plan for the future delivery of healthcare in their areas.

NHS Dorset's CCG is chaired by Lyme Regis GP Dr Forbes Watson, from the Kent House Medical Centre, who thus is well-placed to give a local perspective on the developing plans for West Dorset healthcare before they are put forward for public consultation early next year.

Dr Watson will be giving an overview of the service review and the likely local impact of the options currently being developed at a meeting organised by LymeForward on Monday, September 21st, 7.30pm at the Woodmead Halls. All welcome.

Opening of church tea bar

St Michael's Parish Church in Lyme Regis is holding an official opening of its new tea bar, recently installed inside the church.

All are welcome for tea, coffee and cake on Saturday, September 26th at 10am.

The church will also be holding cream tea events in the church hall on Sunday afternoons throughout September and October.

Save the Children cream tea

THE Lyme Regis branch of Save the Children will be holding a cream tea today (Wednesday).

The event will be held at the Mariners Hotel on Silver Street from 2.30pm to 4.30pm.

Backstage at Guitars on the Beach...

HERE we take a look at some shots taken from behind the scenes at the recent Guitars on the Beach event, held in Lyme Regis.

A huge voluntary effort went into staging the weekend-long festival, which coincided with chef Mark Hix's Food Rocks festival and peaked with a record attempt on the Saturday afternoon for the most guitarists playing at the same time.

Pictured in the left column are Joshua Denning and mum Annette who helped collect for the RNLI; guitarists Dave Austin and Paul Bester are filmed for BBC Spotlight; and performer Harvey Causley and backstage crew Callum Thom get into the spirit.

Below, a thumbs up from guitarist Ben Kapur pictured bakstage; BBC Spotlight presenter Johnny Rutherford practises before his broadcast; and Jacques Verhaeren performs with his band Mr Jean.

Right, Paul Bester and Lars Mullen, who performed during the Status Quo set; organisers Geoff Baker and Mark Hix discuss next year's event; and one youngster enjoys the music from the crowd.

Pupils develop skills on annual camp trip

THE sun shone at Carey Camp in Wareham Forest for the whole year group of 164 Year 8 students from the Woodroffe School in Lyme Regis.

This annual trip is an important highlight in the school's extensive calendar of extra-curricular activities and is remembered fondly throughout the students' time at Woodroffe.

Activities which pupils undertook included learning campcraft skills, cooking on a camping stove, shelter building and bivvying, rock climbing, orienteering, map and compass work, promoting self-reliance and self-confidence, developing team skills and initiative, strengthening relationships between students and staff.

Head of Year 8, Sharron Hutchings, said: "It was great to see them putting their all into the activities and making new friends at the same time. The beef stew cooking in the cauldron was a welcome site on the camp fire and there was very little plate scraping needed afterwards!

"We had a great time, the students behaved impeccably and I'm immensely proud of them all.

"Thank you to the staff who gave up their time to help make the week such a success."

Lucky to have many summer events right on our doorstep

MY family would like to give a very heartfelt thank you to everyone who helped organise the many events in Lyme Regis during the summer months.

Lifeboat Week, Regatta & Carnival Week, Candles on the Cobb and the latest Food Festival with Guitars on the Beach, to name a few. We are so lucky to have all this entertainment right on our doorstep and to have the good fortune to live in such a beautiful coastal area.

Everything was organised with such precision, despite the inclement weather on occasions. Please know that all your efforts have been very much appreciated.

Thanks for 'get well' messages

KEEN observers of Lyme Regis Town Council may have noticed that I have been absent at recent meetings.

This is because I have recently undergone an operation from which I am currently recuperating.

I would like to thank all those who have sent me "get well" messages and I can assure the electorate of Lyme that I will soon return to the Guildhall to ask the awkward questions.

Derek Hallett,
Lyme Regis town councillor

Chapel opening a great success

THE cemetery chapel in Lyme Regis was open to the public last Friday as part of Dorset Architectural Heritage Week.

It was manned by volunteers from the museum and over 70 people took advantage of a chance to visit this highly decorated Victorian chapel, built in 1856.

Nowadays it is used occasionally for very small funerals, so few people have seen inside it and many did not know of its existence. All who saw the inside were amazed at the decorations covering the walls and ceiling.

Several people returned bringing friends or relations and by lunchtime there were several mentions on Facebook.

View from the churches

THANKS to all those who got involved in the Ride + Stride event last weekend.

Across Dorset people walk and ride – usually on bicycles but sometimes horses! – to as many churches and chapels as they can on Saturday. A rota of people were ready at St Michael's in Lyme Regis and other village churches in the area ready to welcome, sign forms to confirm the visit and provide refreshments. Sponsorship raised goes to the Dorset Historic Churches Fund, one of the few organisations we can turn to for some help in raising money for repairs and work on our buildings.

On Sunday afternoon we had the first of a series of Late Summer Concerts organised by Lyme Regis Organ School. Alexander Henshaw enabled everyone to enjoy the Skrable organ. Next week, on Saturday 20th, will be an opportunity to support over 12 performers in a students' organ concert starting at 3pm. Come and hear how well the performers of the future are doing. Refreshments coincide, so enjoy a cream tea in the church hall between 2.30pm and 5pm!

The next free eXchange café is on Saturday 19th at St Andrew's Church in Charmouth. Great refreshments and buzz as people bring books and belongings they no longer need/want and see if they would like to go home with any of the items brought. Too many beans? Not a problem, there's an opportunity to share your extra produce! A donation is appreciated towards the refreshments but this is promoting an alternative economy of sharing and caring.

Some of the flower arrangers at St Michael's are in Salisbury taking part in a "Magna Flora". Running until Sunday, go and see the spectacular work of over 500 flower arrangers. The cathedral will be filled with a mix of spectacular contemporary, traditional and interpretative displays inspired by Magna Carta, with live demonstrations daily.News of how Shirley Williams gets on next week!

BEAMINSTER BUSINESSES

Explore Beautiful Beaminster

THERE are only a few towns or cities in the UK beautiful enough to rival the town of Beaminster. It is the town's location in a valley of Dorset countryside that provides its picturesque views and chocolate box feel. Coupling stunning natural scenery with exquisitely designed buildings, Beaminster is the perfect place for anyone to visit in order to relax.

While the location is serene, there is still plenty to find in the town, from art galleries to flower shops, restaurants to beauty salons; all essentials are readily available. Unrivalled in its independent boutique feel, you will find a treasure trove of vitality from the buzz and bustle Beaminster has to offer. Beyond Beaminster's heart, the Square, you will find yourself wondering the little side streets and marveling at what you find there.

The town is able to cater for your every need and if you desire the hustle and bustle of a busy town, Bridport can be found only 6 miles down the road. A stones throw from there is the now famous West Bay beach, seen in the popular TV series Broadchurch.

The Westcountry seems to be the place for property investors

BEAMINSTER and it's surrounding areas are being sought out by those invested in property, with London at its core. London is the top location of people searching for property in the South West, according to the latest statistics revealed by Property Sharing Experts, the network of independent estate agents with more than 80 offices across the region.

The network holds regular Westcountry Property Exhibitions in the capital and in the periods around each exhibition, its web traffic analysis shows a staggering three times more visitors from London and the surrounding areas than in Exeter, which holds second place.

In order to directly reach these buyers, the organisation will be hosting its second Westcountry Property Exhibition of the year in the capital on 7th October. Local PSE experts will travel to London to discuss our beautiful region and properties will be showcased at the exhibition, which will be held once again at the prestigious and very busy high street offices of Lawsons & Daughters in Fulham.

Visitors to the exhibition will be looking for a diverse selection of property – as homes to move into and investments as well as holiday homes – so details of every property on the market with PSE agents will be taken to the event, which is being advertised in the Evening Standard and Metro as well as regional London publications, in all PSE and Lawsons & Daughters offices, on all property details and on social media sites including Facebook and Twitter.

Edition 16 of Distinctly Westcountry, the network's glossy magazine will be published to coincide with the event – copies will be taken to the exhibition and handed out to visitors. The magazine showcases the very best properties currently available for sale in the region – and not just country estates and manor houses – with PSE, distinctive also includes more modest, yet exquisite or unique homes in some of the finest rural, moorland, waterside and coastal locations.

The magazine is also available to pick up from PSE branches throughout the South West as well as Lawsons & Daughters in Fulham and the Distinctly Westcountry W1 office on Regent Street. For further information or to arrange a free market appraisal for your property without obligation, get in touch with your local PSE estate agent – to find yours, look for the logo in the newspaper or see the directory at www.propertysharingexperts.com.

Don't let stress affect your health

THE ongoing economic climate could have health repercussions – stress can severely affect health and well-being, making us more prone to illness, cautions Lyme Regis and Poundbury Homoeopath Pamela Rowlands RSHom

Stress prompts the body to increase production of the hormones adrenaline and cortisol, causing changes in blood pressure heart rate and metabolism – necessary in the short term, but over long periods this can lead to headaches, indigestion, diarrhoea, insomnia, general tiredness and even palpitations, anxiety and depression.

Homoeopathic treatment with a fully qualified and registered RSHom practitioner can help individuals cope better with the effects of stress – a carefully chosen homoeopathic medicine matched to the individual patient can help with the mental, emotional and physical symptoms of stress, by triggering the body's natural system of healing.

Pamela explained: "In homoeopathic medicine the approach is holistic, recognising that there is a connection between mind and body, with each prescription based on the individual patient's experience of their symptoms."

In 2005 a service evaluation of homoeopathic treatment at Bristol Homeopathic Hospital reported that 70.7 per cent of 6,544 follow-up patients experienced improvement in their health, in a variety of conditions including migraine, irritable bowel syndrome, depression and chronic fatigue syndrome.

Pamela added: "It is obviously better to seek treatment before symptoms become serious, recognising the early warning signs such as increased irritability, sleeplessness, and feelings of dread or guilt."

Minor, short lived symptoms could be treated at home with homoeopathic remedies, although chronic long-term illness and mental health symptoms should be seen by a professional homoeopath and your GP

Jay Rayner: My Dining Hell

AWARD-WINNING journalist, writer and broadcaster Jay Rayner has been a restaurant critic for over a decade. If there's one thing he's learnt in his illustrious career, it's that people actually delight in his reviews of bad restaurants. In fact, the worse the better.

In his solo show, *My Dining Hell*, Jay examines our love affair with lousy reviews, reads accounts of excruciating nights, and looks at the worst reviews of his own work. A hugely entertaining hour in the company of the man recently voted the best food and drink journalist in Britain.

Jay has been *The Observer's* restaurant critic for over twelve years, resident food expert on The One Show, regular judge on MasterChef and chair of BBC Radio 4's Kitchen Cabinet.

Merrick sings Sinatra

ENTHRALLING singer Sam Merrick joins pianist Philip Clouts at the Bridport Arts Centre Jazz Café in an exploration of the vast catalogue of Frank Sinatra's lesser-known works over his expansive career, in what is his Centenary Year.

Sam Merrick, originally hailing from Dorset, is a singer of growing repute. He has appeared on BBC Radio 2 and toured the UK with the renowned Nick Ross Orchestra, and performed with his other projects on the UK Jazz Circuit at prestigious venues including London's Vortex Jazz Club. The Dorset Echo was struck by his "superbly seductive singing"

Philip Clouts is taking some time away from his Quartet project, which is about to launch a new CD with a tour of England and Scotland, to accompany Sam's vocals. Philip has been praised in Musician magazine for his "consummate musicianship" and the Observer said "Clouts makes the piano sound exactly right for each piece"

Frank Sinatra was one of the most popular entertainers of the 20th century, forging a career as an award-winning singer and film actor. Born in New Jersey in 1915, Frank Sinatra rose to fame singing big band numbers. In the '40s and '50s, he had a dazzling array of hit songs and albums and went on to appear in dozens of films, winning an Oscar for From Here to Eternity. He left behind a massive catalog of work that includes iconic tunes like Fly Me To The Moon and I Get A Kick Out Of You.

Sinatra received a Grammy Lifetime Achievement Award and headlined the 1965 Newport Jazz Festival with Count Basie's Orchestra. The 1960s also marked his Las Vegas debut, where he continued on for years as a main attraction at Caesars Palace. As a founding member of the "Rat Pack," alongside Sammy Davis Jr. and Dean Martin, Sinatra came to epitomize the hard-drinking, womanizing, gambling swinger—an image constantly reinforced by the popular press and Sinatra's own albums. With his modern edge and timeless class, even the radical youth had to pay Sinatra his due. His continued mass appeal can best be explained in the man's own words: "When I sing, I believe. I'm honest."

Sam Merrick

Sam Merrick performs 'The September of his Years', a tribute to Frank Sinatra, on Friday, September 25that 8pm at Bridport Arts Centre. Tickets are £10 (£5 students/children) from the box office (01308 424204) or www.bridport-arts.com

'John Craxton's Crete' an evening talk by Ian Collins

IAN COLLINS, Curator of Dorset County Museum's John Craxton Exhibition and Biographer of the artist, is giving a talk at Dorset County Museum, on Friday, September 18th, which will focus on the period of the artist's career when he was residing and painting in Crete.

John Craxton (1922-2009) was one of the most interesting and individual British artists of the 20th century. After years of travelling around the Mediterranean after World War 11, Craxton settled in Crete in 1960. His life story, starting with wanderings on Cranborne Chase, was as colourful as his later pictures of the light, life and landscapes of Greece.

The exhibition at Dorset County Museum in Dorchester charts Craxton's journey from Cranborne to Crete, from early paintings of dark and menaced war-time landscapes to joyful scenes painted under bright Cretan skies. The exhibition runs until Saturday, September 19th.

All are welcome to the talk on Friday which starts at 7.30pm. Doors open at 7.00pm. The talk is free of charge, but a donation of £3 is encouraged to cover costs.

For further information please contact the Museum on 01305 756827, or check the events section of the website at www.dorsetcountymuseum.org.

Although set in pleasant rural surroundings, it is easily accessible with full facilities available for business meetings, exhibitions and corporate events. The big 'to-do-list!'

Staring at a massive 'to-do-list' before your big day can be incredibly overwhelming. Especially when all you want is to create the perfect day for the beginning of the rest of your life, with your loved one to be! So we have broken down the top 10 key elements, to put your mind at ease. So put your feet up, and dream BIG!

1. Budget

Budget equals scary for a lot of people. But all you need to do is think realistically and set a price you and your partner can both agree on.

After this, it's all about prioritizing the things that are most important to you; the spectacular stately home, the stunning vintage wedding dress or the most delicious petits-fors! Knowing what is most important to you will really shape your day into what you both want.

Keep your eye out for hidden charges, such as corkage fees – as this can set you back a small fortune.

2. Location, location, location!

Location is key! Having a personal interest in a venue can really make your day. If you are religious, spiritual or humanist, there is almost certainly a venue out there to suit.

Be mindful that in the UK you can only legally marry in registered locations – but this doesn't have to go against your perfect spot! Blessings can take place on beautiful beaches, magestical woodland and trendy city spots. The world is your oyster!

3. The after party

After the ceremony, you will of course want to celebrate! Of course many ceremony venues are open to you for your whole big day, and offer many packages to suit your budget.

Why not think outside of the box by looking for quaint villages or town halls, industrial warehouses, barns, museums or a meadow for a tipi.

4. Capturing your day

Capturing the memories of your big day is definitely worth considering. When I got married, everything went by so quickly! Being able to hold the memories in my hands and share them with my partner is so precious as we can relive it through the images.

Check out wedding blogs, magazines and word-of-mouth recommendations for brilliant photographers and filmmakers who can suggest ideas to make your planning that little bit more fun.

5. Keep your guests entertained!

To fill your day with a buzz and to allow your guests to have a complete blast, why not consider hiring some outdoor fun! Everything from croquet, board games, and photo booths – these are all things to think about when going through your checklist.

6. Entertainment

Personalise your entertainment based on your own interests. If you love music then compile your own playlist. Or if you are a keen baker why not host a bake off contest?

7. The after, after party!

Don't forget about getting away as newlyweds after tying the knot! Planning your big day may feel like the most important thing, but finally being married and together holds so much value.

Anything goes when it comes to your first holiday as newlyweds, from glamping on the coast, to treading the souqs of Marrakesh – the world is open to you!

8. Food

Wedding breakfasts aren't what they were 50 years ago! Everything from hog roasts, to hiring a vintage fish and chip van, to a sit-down afternoon tea are all possible.

If you love ice-cream, popcorn or sweets – don't limit yourself to tradition! There are so many things to suit all budgets, and so much available.

9. Your grand entrance

Everything from tractors, to campervans and horse-drawn carriages are available for your big day. Go with what you would feel comfortable sitting in, and think of the great photo opportunities!

10. Do-It-Yourself!

If you want to make your day truly personal, there is so much you can do yourself. Not only will this open up your budget, but also you can truly inject your personality into your day.

Everything from making your own invitations, growing your own flowers, to showcasing your baking skills – you can truly shine on your day.

Town Band's recruitment drive

DID YOU learn to play a brass instrument many years ago but gave it up as other things got in the way? Have you always wished that you had learned to play a brass instrument when you were younger and now regret that you let the opportunity pass you by? Perhaps Lyme Regis Town Band might be able to help you, as the band is currently embarking on a recruitment drive and is keen to encourage new members to join its ranks.

Players of all ages and abilities are most welcome, with tuition available for learners and support and encouragement for "rusty" players. The band is keen to stress that learners do not need to be youngsters. It's possible to learn to play at any age and there is are several band members who did not pick up a brass instrument until later in life but are now playing on a regular basis, having learned from scratch. Other players have returned after a break of many years and are now greatly enjoying being part of a brass band again.

So if you're interested in learning more about the band, come along to an informal Open Evening which is being held at the Woodmead Halls on Tuesday, September 22nd at 7.30pm. A range of instruments will be available to try out and you'll be able to chat to band members and sit in on a band practice.

For further details or for any queries, please contact Band Secretary, Gilly Warr on 01297 442719, or send an email to gkwarr46@gmail.com. The band's website is at www.lymeregistownband.co.uk.

SUCCESS FOR SYMONDS & SAMPSON

JEREMY Smith, Senior Manager of Symonds & Sampson's award winning estate agency office in Beaminster is seen here with a delighted Mr. and Mrs. Dent collecting the keys for their new property which they recently purchased through the office. Mr. and Mrs. Dent who also sold their existing property in Crewkerne through Symonds & Sampson commented 'we were very impressed with the service received, not only on our property sale, but also the onward purchase, which was one of a chain of four all being sold by Symonds & Sampson in Beaminster which proved particularly challenging. With regard to our own home we had been on the market with a Crewkerne based estate agent with limited success, however once we had spoken to Jeremy, we were in little doubt he was the estate agent for us and his Beaminster office certainly combined corporate drive with independent service, which he stresses is his goal. We agreed a sale on our property in less than a week!

We would also like to add a special word for Caroline Childs who handled our sale transaction and purchase very smoothly indeed and I would not hesitate to recommend Symonds & Sampson in Beaminster to all our friends.

Jeremy Smith commented 'it is lovely to hear such kind words from Mr. and Mrs. Dent who were a pleasure to work alongside.' We do aim to provide a world class estate agency service which includes high quality laminate sale details, regular advertising and all of our client's properties are available on Rightmove, Zoopla and Primelocation. It may come as a surprise to the readers of the View From that many estate agents locally are not on Zoopla and therefore in my opinion are missing out on many London buyers.

If you are considering selling or are on the market without success, why not contact our office on 01308 863100 to book your free market appraisal.

The all-electric Audi e-tron quattro concept

▲ The Audi e-tron quattro concept

FLOW-ENHANCED design with a drag coefficient of 0.25; powerful, all-electric e-tron quattro drive with up to 370 kW – Audi is presenting the Audi e-tron quattro concept at the International Motor Show (IAA) 2015 in Frankfurt. The car is the company's statement about the future of electric mobility: It is responsive, efficient and suitable for everyday use.

"Audi will present an all-electric, luxury-class sport SUV in early 2018. The Audi e-tron quattro concept provides a concrete foretaste of this," says Prof. Dr. Ulrich Hackenberg, Member of the Audi Board of Management for Technical Development. "It combines driving pleasure with great range, an expressive design and excellent comfort."

Electric power

The Audi e-tron quattro concept uses the power of three electric motors: One electric motor drives the front axle, the two others act on the rear. Total output is 320 kW. The driver can even mobilise 370 kW and over 800 Nm (590.0 lb-ft) of torque temporarily while boosting. The concept study thus performs like a sports car. When the driver floors the throttle pedal, the Audi e-tronquattro concept sprints from a standstill to 62mph in 4.6 seconds and quickly reaches the electronically governed top speed of 130mph.

The concept with three electric motors which Audi is presenting for the first time makes the technology study an e-tron quattro. An intelligent drive management system controls the interplay between them as appropriate for the situation. The focus here is on the greatest possible efficiency. The driver decides on the degree of recuperation, the driving program S or D and the mode of Audi drive select .

During sporty driving on a winding road, the Torque Control Manager actively distributes the power between the rear wheels as necessary. This torque vectoring provides for maximum dynamics and stability.

The large lithium-ion battery is integrated into the floor of the passenger compartment. It gives the Audi e-tron quattro concept a balanced axle load distribution and a low centre of gravity – prerequisites for its dynamic handling. The battery's capacity of 95 kWh enables a range of more than 310 miles (500 kilometres). The Combined Charging System (CCS) enables charging with DC or AC electrical current. A full charge with DC electrical current at a charging point with an output of 150 kW takes just around 50 minutes. As an alternative, the study is equipped with Audi Wireless Charging technology for contactless induction charging. The charging process is very convenient. The Audi e-tron quattro concept uses a system for piloted parking that guides it to the proper position at the charging plate. In addition, a large solar roof provides electricity for the drive system battery on sunny days.

The chassis also expresses the high-tech character of the concept study. The adaptive air suspension sport, which features controlled damping, lowers the body at higher speeds to reduce drag. The dynamic-all-wheel steering combines a dynamic steering system on the front axle with a steering system for the rear wheels. Depending on speed and the driving situation, they steer either in the same direction as the front wheels or in the opposite plane. The Audi e-tron quattroconcept thus reacts even more spontaneously and stably, and is also very manoeuvrable at low speeds.

Aerodynamic: The exterior design

The Audi e-tron quattro concept harmoniously combines its remarkably aerodynamic design with the all-electric drive system. The five-door technology study is 4.88 metres long, 1.93 metres wide and just 1.54 metres high. Its coupé-like silhouette with the extremely flat greenhouse that tapers strongly toward the rear lends it a very dynamic appearance. The car's drag coefficient measures just 0.25 – a new best for the SUV segment, where figures are usually considerably over 0.30.

All of this contributes considerably to the long range of more than 310 miles (500 kilometres). At speeds of 50mph and above, electrically actuated aerodynamic elements on the bonnet, the flanks and at the rear end direct the flow of air as needed to improve the flow through and around the vehicle. This is one example of the intensive development work in the wind tunnel. Wind noise is low on board the car, and there is of course an absence of engine noise. The fascination of electric driving unfolds in near total silence.

The All-new Jaguar F-PACE

THE all-new Jaguar F-PACE is a performance crossover designed and engineered to offer the agility, responsiveness and refinement that all Jaguars are renowned for, together with unrivalled dynamics and everyday versatility. The F-PACE is available to order now at Jaguar UK retailers, priced from £34,170.

Developed using Jaguar's Lightweight Aluminium Architecture, the all-new F-PACE combines purity of line, surface and proportion with F-TYPE-inspired features such as the powerful rear haunches, fender vents and distinctive tail light graphics.

The bold front grille and the muscular bonnet hint at the performance potential of engines like the 380PS 3.0-litre supercharged V6. Elements such as slender full-LED headlights, forged 22-inch forged alloy wheels and short front overhang carry the design vision of the C-X17 concept through to production.

The all-new F-PACE seats five occupants in absolute comfort. The interior is a perfect blend of premium materials and finishes, exquisite detailing, luxuries such as heated, electrically-reclining rear seats, and cutting-edge technologies including the InControl Touch Pro infotainment system and 12.3-inch HD virtual instrument cluster.

Lightweight Aluminium Architecture gave the design and engineering teams the ideal starting point. It was created from the outset as a modular structure, so the wheels can be positioned exactly where they are needed to deliver the proportions, dynamics, and practicality essential for a performance crossover.

The wheelbase and track dimensions of F-PACE are not shared with any other Jaguar. At 4,731mm long and with a 2,874mm wheelbase, the all-new F-PACE offers the sleek profile and short front overhang characteristic of Jaguar design together with an exceptionally spacious interior.

Rear knee-room is class-leading and the luggage compartment volume is an astonishing 650-litres.

The light, stiff body structure comprises 80 per cent aluminium, and is the only aluminium-intensive monocoque in the segment. Additional weight savings come from the composite tailgate and magnesium for parts such as the cross-car beam.

The result is that the rear-wheel drive 180PS 2.0-litre diesel manual transmission model weighs as little as 1,665kg and achieves CO2 emissions of just 129g/km. With the 380PS 3.0-litre supercharged V6 petrol engine from the F-TYPE under its sculpted aluminium bonnet, the all-new F-PACE can accelerate from 0-62mph in just 5.5 seconds before reaching an electronically-limited top speed of 155mph.

The body's high torsional stiffness enables the F-TYPE-derived double wishbone front suspension and sophisticated Integral Link rear suspension to perform even better. Together with Torque Vectoring as standard and an Electric Power Assisted Steering system tuned to give the best possible feel and response, the all-new F-PACE sets the benchmark for ride and handling.

Raising the bar for style and performance in the pick-up market

THE all-new Nissan NP300 Navara sets a new benchmark in the one-tonne pick-up sector, combining the best of Nissan's Crossover leadership with over 80 years of experience in designing and manufacturing robust and cleverly engineered pick-ups.

Improving comfort and refinement while maintaining the NP300 Navara's acclaimed off-road ability, durability and loading capacity, was a cornerstone of the new vehicle's development. The new model is a fully updated version of the previous generation, with a robust and tough chassis which introduces a host of new engineering features designed to further improve drivability and practicality. And using the same Crossover DNA that produced landmark passenger cars such as the class-leading Qashqai, X-Trail and Juke, the new NP300 Navara brings a new level ofcar-like refinement, style, comfort and quality, as well as first in class technologies to the pick-up market.

The introduction of a market-first five year or 100,000 mile manufacturer warranty with the new NP300 Navara is further testament to the vehicle's credentials, and provides additional peace of mind for customers.

Ride and Handling

Improving refinement and delivering a Crossover-style driving experience was a key element of the NP300 Navara's development. To help achieve this without compromising the vehicle's acclaimed off-road ability, Nissan designed an all-new five-link rear suspension system for the Double Cab model, providing significantly improved ride comfort and handling, and is 20kg lighter than the previous leaf spring layout.

The King Cab features a substantially updated version of the leaf spring design fitted to the previous generation model. Not only does the new over slung leaf weigh 7kgs less than the previous under slung design, it also gives the King Cab a 3.1 per cent improvement in rear wheel approach angle and delivers a reduction in road noise.

Technology

In-line with Nissan innovation, the new NP300 Navara introduces an array of new in-car technology.In a sector that has traditionally been slow to adopt the very latest in comfort and safety features, it sets a new benchmark for affordable in-car technology. Around View Monitor and Forward Emergency Braking (FEB) – both highly acclaimed Crossover safety features – are unique to the pick-up market and provide customers with more advanced levels of technology than ever seen in a pick-up. Further safety and convenience features include Cruise Control, Hill Descent Control (HDC) and Hill Start Assist (HSA), all of which have been developed to meet the specific demands of NP300 Navara owners, as well as keyless entry, rear camera and parking sensors.

Local football round-up

Hyett strike takes Beaminster top

Millwey date for spot-on Swallows - Symes triple too much for Bantams

Lyme Regis 5 Tipton St John 2
Devon & Exeter Division Two

WITH five players returning from unavailability Lyme Regis assistant manager Rob Thom, in the hot seat with manager Tim Edwards on holiday, had an embarrassment of riches at his disposal for the visit of Tipton St John.

The Seasiders made a strong start creating a clutch of half chances but had to wait until the 20th minute to open the scoring. Julien Simier burst down the left flank before cutting in and picking out Mark Bailey who made no mistake.

The lead was doubled five minutes before half-time when Bailey squared the ball to Sam Jones whose cross shot caught on the wind, drifted over the visiting keeper and found the net via the far post.

But Tipton grabbed a lifeline a minute before the interval when a long ball over the top caught the Lyme defence square - there was still plenty to do but Jody Freeman's astonishing first time volley from all of 35-yards gave keeper Chris Higgs no chance and left the clubhouse end faithful at the Fort gasping.

The two-goal cushion was restored in the 64th minute when some indecision in the Saints defence allowed Simier to slot home for a richly deserved goal that was merited by a performance that was full of endeavour.

Back came the visitors and they scored a second courtesy of a Kevin Sexton penalty after Lyme skipper Matt Laing was adjudged to have tripped an opponent in the area – a decision that Thom described as 'debatable'.

But the Seasiders weren't to be a denied a first ever win in the D&E Division Two.

A fine through ball from Bailey in the 80th minute put substitute Joe Bond clear and the livewire striker finished well.

Bond should have scored soon after but squandered a clear one-on-one opportunity.

But he atoned five minutes from time with his second of the match to round off an intricate team move with Bailey once again playing the killer pass.

There was still time for in-form Bailey to strike the woodwork direct from a corner but it mattered not and Lyme deservedly had their win.

Afterwards Thom was full of praise for Man-of-the-Match Simier but also for the attitude of the whole squad with starting places at a premium. "The lads who started on the bench responded really well - it's a great indicator of the spirit in the club."

Seasiders; *C.Higgs, A.Cleal, G.Knight, D.Rowe, M.Laing (Capt), S.Jones, L.Clifton, R.Fellingham, M.Bailey, R.Sargent, J.Simier*; Subs used, J.Bond, W.Mowbray, R.Hayter.

DEVON INTERMEDIATE CUP R1
Uplyme 4 Tivvy Park Rangers 4
(Uplyme won 4-2 on pens)

UPLYME recovered from a distinctly sluggish opening 20 minutes to book their place in round two of the Devon Intermediate cup after a dramatic penalty shoot-out win over Tivvy Park Rangers at Venlake.

Ryan Fifer roused the Swallows from their slumbers when he latched on to a fortunate flick on to put Uplyme ahead.

But some slack defending saw the visitors score twice in a ten minute spell before Fifer ran through again to make it 2-2 at half-time.

A rousing team talk from Manager Rod Rowe appeared to spur the hosts on to an improved showing in the second 45 as chance after chance was created - but all were squandered and some more dozy defending handed Rangers a 3-2 lead.

Substitute Niall Waterhouse was then summoned from the bench and had an immediate effect as he squared it up once again with a neat turn and finish that found the top corner to force the extra 30 minutes.

Tivvy took the lead for the third time in the first period of extra time but Dan Boot, another substitute, volleyed home to make it 4-4 with virtually the last kick of the game.

Boot failed from the first kick of the shoot out but a Tivvy miss along with a fine save from Uplyme keeper Joe Cleere allowed Niall Fifer to convert the winning kick.

Uplyme's reward is a home local-derby with Millwey Rise on October 10th.

PERRY STREET LEAGUE
PREMIER DIVISION
Netherbury 5
Lyme Regis Bantams 2

LYME Regis Bantams' Premier Division debut ended in defeat at a Chris Symes–inspired Netherbury on Saturday.

Symes bagged a hat-trick as the Ambers, based on their second-half showing, deservedly banked all three points.

The first-half was more even with the Seasiders, who were playing Division Four football just three years ago, flashing several crosses through the home six-yard box in the early exchanges.

But it was the hosts who grabbed the early initiative when Steve Alfreton picked out Symes who lobbed the ball over keeper Toby Fowler. Symes made it 2-0 tapping home after Fowler had parried Kristian Steward's shot to make it 2-0.

At the other end Pete Peacock was sent clean through but was cut short by what Lyme felt was a very questionable offside flag.

This proved to be a pivotal moment as Netherbury went straight back up the other end and Symes completed his hat-trick with a superb hooked shot.

Peacock pulled one back for Lyme from the penalty spot following a foul on Alfie Jaques.

A fourth Ambers goal was added after the turnround when Zac Hawker curled a fine free kick around the wall and in off the post.

But Lyme were given a lifeline when Jon Whetlor, back on holiday from his home in Tasmania, netted his first goal for the club for eight years following good work down the flank from Jaques and Rhys Evans.

The comeback was quickly snuffed out by the pick of the goals as Steward found the top corner from 20 yards.

Netherbury manager Andy Loudon said: "I was without five regulars, so I'm really chuffed with the three points". He picked out Symes for his hat-trick, along with George Green for a top performance, but his man of the match was Steward for his goal and all round contribution in midfield.

Bantams player-boss Rob Larcombe said: "It was a fair result, but had we taken our chances in the first-half it could have been different." Larcombe picked out Jaques, in a new role in central midfield, as the his top-perfomer.

Chard Utd 1 Beaminster 2

WITH the majority of teams in county cup-tie action, Beaminster grabbed the opportunity to go top with a 2-1 win, their third in a row, over Chard United at Jocelyn Park.

Ryan Mason bagged the Chard consolation, with Dan Baggs and Dean Hyett – an 87th minute winner – scoring for the Rainbows.

DIVISION ONE
Beamisnter Res 5 Thorncombe 1

BEAMINSTER Reserves fell behind to an early Alex Atkins strike at The Memorial Ground.

But they recovered to lead 2-1 at the break. Josh Hunter, fresh from several run outs with Dorset Premier League side Bridport Reserves, struck four times and Sam Tabner once as The Rainbows cruised home 5-1.

Barrington 0 Pymore 2

PYMORE continued their promising start with a 2-0 win up at Shelway Lane – never an easy place to go.

After a cagey first-half the visitors led through Liam Proctor's first goal for the club at the interval.

Tim Hussey finished well to seal the win with the second goal.

Pymore manager Stuart Hedditch said: "I'm really happy with how we defended and deserved another clean sheet."

Hedditch picked out his skipper Leigh Dowle as MoM.

DIVISION THREE
Charmouth 5
Crewkerne Rangers Reserves 1

GOALS from Bill Ward, Paul Miners, and the three Dan's; Rendell, Rumsby and Watson saw Charmouth record back-to-back wins for the first time in a year.

Ward put The Robins ahead only for Elliott Greed to equalise before half-time.

The second half brought an improved performance and four further goals from the hosts.

"We were flat in the first-half but picked ourselves up after the break and ran out convincing winners in the end," said Charmouth manager Kevin Pratt.

Chard Utd All Stars 2 Uplyme Res 5

UPLYME Reserves started their campaign by clocking up their first win 'on the road' in eight matches.

The match was notable for manager Stuart Wooster handing debuts to half-a-dozen 16-year-olds who all did well in particular Isaac Rodin who earned Wooster's selection as his Man-of-the-Match.

Uplyme opened the scoring midway through the first-half when Johnny Harris' cross shot deceived the home keeper.

But some hesitant defending in the final seconds of the half allowed Sam Ridley-Brown to equalise.

The visitors failed to learn from the error and more dithering in the Swallows' back line allowed Ridley-Brown an easy second.

Uplyme then had a stroke of good fortune when Will Francis' attempted clearance struck his own post and rebounded into the arms of former Charmouth keeper Marcus Bearpark.

This proved to be turning point as the visitors took control. Ryan Prendeville made it 2-2 before Johnny Harris scored his second from a twice-taken penalty.

Frank Harris made it 4-2 with a fine chip and Alex Jones completed the scoring.

Netherbury Res 8 Ilminster Town A 2

NETHERBURY Reserves played their first home game of the season at St Mary's with Manager James Sayers filling in between the sticks due to injury and three teenagers in the starting line-up.

The home team dominated for large periods and were rarely troubled at the back.

Pete Ellingham started proceedings with a well taken goal after just two minutes. Daniel Rawlings, who had a superb game sitting in front of the back four, then drilled in the second from the edge of the area.

Winger Ryan Kingston added the third goal with powerful run and finish across the keeper.

Teenager Charlie Morgan added a fourth just before half time and the home team were flying.

Just before the break Manager Sayers was left red-faced when he was lobbed from fully 30 yards by Rob Belton.

In the second half it was more of the same and Rawlings drilled in another fierce effort from 30 yards to make it 5-1.

Ryan Gay came off the bench to add a sixth before Steve Coombes added a lofted seventh goal, and in the final few minutes Lee Quincey headed the eight.

A lack of concentration at the end allowed Dave Lock to pull back a consolation goal.

Manager Sayers picked out Josh James, Liam Tuck and Kingston for special mentions.

Bees news

Gale shines in five-star showing

Westland Sports 1 Bridport Reserves 3
Dorset Premier Division

MANAGER Shaun Annetts praised his team for a first class performance against a notoriously difficult Westland Sports.

Annetts looked as if he might miss the game to take charge of the first team, but Mark Carter became available, and his players showed their appreciation by continuing the good form they have shown in recent weeks.

He said:"The signs have been there since the Balti Sports game and they have continued to improve. They have trained well and there is a great spirit among them."

The return of Tristan Gale from first team duties has also been a important feature, and with goal scoring being the one down side, Annetts played him up front instead of his usual role on the left wing and it paid dividends with two goals.

Bridport started very well, another reason for their improvement, and with the defence looking very solid, they had lots of possession and created two or three half chances in the first half hour, so it was no surprise when they took the lead.

Chris Herbst, who along with Tom Blair worked hard down the flanks, combined with Gale to set up Harry Fleet on the edge of the box. Captain for the day, he put his laces through the ball to rifle a superb shot into the top right corner of the Westland net.

They increased the lead early in the second half when Sam Day provided an exquisite curling cross just behind the Sports defence which was met by Gale sliding in at the far post.

With Bridport looking comfortable, the hosts pulled a goal back midway through the half through a penalty, which Annetts deemed a touch hard. Bees young keeper Josh Hadley was adjudged to have been too robust in his one-on-one challenge with Louis Irwin, and Leo Hayward gave him no chance from the spot.

In the past this setback has sometimes led to Bridport losing their confidence, but not this time. They continued to play the good football and were rewarded with a thirds when Gale, under pressure from his marker, surprised the keeper by hitting his shot early and the ball squirmed under him into the net to seal an excellent victory.

Annetts concluded: "Tristan as always gives everything. His link-up work play along with his speed made him the star player, although this was a first class performance all round."

The Bees Reserves host Holt United this Saturday at St Mary's (ko3pm) but will be without the suspended Day and Herbst.

Sailors return

DAN and Jenny Jaffe were recently welcomed back into Lyme Harbour by Lyme Regis Sailing Club members and friends after a successful 3½ month clockwise sail around UK in their yacht 'Goodwill' which is berthed in Lyme harbour.

Passing Land's End, the passage took them north to Pembrokeshire, across to the Republic of Ireland, on up to Northern Ireland, then back across to the islands of Scotland's west coast.

Passing through the Caledonian canal, the 29 foot boat reached Inverness and continued down the east coast, back to England, through the Farne Islands to Norfolk and Suffolk.

Crossing the Thames Estuary to round Ramsgate, before they entered the warmer climes of the south coast, stopping in Brighton and Lymington before reaching the home waters of Dorset.

Dan and Jenny, both very experienced sailors, were joined by various Club members and friends for different legs of the trip.

West Bay Sea Angling Club

House's huge haul lands the prize

◆ **TOP HAUL: Paul House**

PAUL House caught an impressive 24 different species of fish to win the John & Frances Hunt Species Trophy during this year's Species & Specimen Festival organised by West Bay Sea Angling Club.

This was no mean feat as each fish had its own length, and anything under 15cm wasn't counted in the week-long event that saw anglers fishing along the Jurassic Coast.

PJ Wheeler took second place with 22, the same as Ollie Mears who was third.

The David Cornick Specimen Trophy was won by Ian Draper who caught a Golden Grey Mullet, which was 104.11 per cent of specimen weight.

The Junior Class was won by Ewan Chambers who beat his brother Aaron by two fish, whilst Ian Draper and Paul House won the Pairs Pool.

The Golden Fish, which was a Ballan Wrasse, was jointly won by Craig Horton and Frances Kitchin. The latter caught hers off the East Pier which on landing snapped her rod.

All the fish that were caught were measured, witnessed, and returned immediately to the sea alive.

Bridport Gig Rowing Club

Ladies round off fine season at Newquay

BRIDPORT gig rowing club's Ladies crews competed in the Newquay County Gig Rowing championships over the 5th and 6th of September.

This two-day event is regarded as the second most important event of the season, behind the world championships.

Rounds one and two are held on the Saturday, with the semi finals and finals on the Sunday.

Crews are drawn boats from a hat as there is only room for a few gigs in the harbour.

Races are timed with fastest boats going through to the next round. However this year saw a different turn of events.

Racing began with strong northerly winds creating a big swell making for difficult racing.

By heat 11 it was decided that there would be no more racing that day due to the deteriorating sea conditions.

Bridport Ladies' B crew were due to race in heat 12 with the A crew in heat 13 which meant their races were to be carried over into the next day.

This came as a disappointment to the crews as they had been warming up when the decision was made.

Racing began early the next morning with the B crew rowing a good race against some strong crews from Cornwall, Devon and Dorset, but unfortunately they did not secure a fast enough time to go through to round two.

The A crew set off at a fast pace and remained strong round the two buoys earning themselves second place and a spot in round two.

Their next race was even tougher and they finished in 39th position, with the B crew in 55th - not enough to reach the semi finals.

This saw the end of a successful season for the Bridport ladies who would like to thank their coxes - Jason Matthews and Kevin Batchelor.

For the ladies, preparation for the upcoming season now begins with winter training, both on and off the water.

Wales or bust for local rally duo

HAVING retired from this year's BRDTA Championships following their failure to complete the third of the nine stages in this year's event, local rallying duo Rex Ireland and Adrian Scadding have decided to finish the year in style by entering the Wales Rally GB in November.

The pair have had good success in the BRDTA Rally over the years, but having had to retire in two of the first three stages and missing the other because the car was not ready, they decided their chances of being competitive would be limited especially as they don't compete in all nine.

This is the first time the pair have contested this annual national rally which began in 1953 and has been won by great rallying heroes such as Hannu Mikkola (four times), Timo Makinen and British drivers Roger Clark and Colin McRae (three times each).

The event is run over three days November 12th-15th and includes 19 competitive stages including the return of the Myherin and iconic Great Orme stages, and covers almost 102 miles of Welsh forest racing on loose gravel in North Wales, the only tarmac being the Great Orme in Llandunno.

Scadding said: "After the disappointment of the BRDTA we decided we would like to test ourselves in one of the most prestigious rallies in the UK; we have taken part in the Roger Albert Clark Rally in 2010 and have done Monte Carlo three times, so we thought it would be a good experience."

They will be competing in the Historic Cup in their 1977 Ford Escort.

◆ **LAST CHANCE: The Welsh Rally will be the last chance this year for Ireland and Scadding (seen here competing in last year's Cambrian Rally) to win some silverware after a season of mechanical failure**

Rugby

Winning start

Bridport 17 Wheatsheaf Cabin Crew 15

BRIDPORT Rugby Club Opened their account in their first Dorset & Wilts 2 (South) league game of the season with a good win against a physical Wheatsheaf side.

The visitors bossed the early exchanges and Bridport lost Mike Pibworth and captain Tom Gamwell to injury within the first 20 minutes.

A soft penalty gifted the visitors three points, and an unconverted try added five more, but Bridport were beginning to exert some control.

Bridport's forwards, industrious throughout the game, earned a scrum on WCC's 22. Good set play from the backs led to Nathan Herbert breaking the line and a good offload sent Man-of-the-Match Daragh McLoughlin over for a try which Ricky Stubbs converted.

Replacement Bobby Lester–Card slotted a long-range penalty to take the hosts 10-8 ahead at half-time.

Bridport dominated for much of the second half but missed a handful of good scoring opportunities with the last pass going astray.

Finally it all came together with another Herbert offload sending Rich Middleton on his way to a try under the posts. Lester-Card added the conversion.

A charged down kick and some shaky defence led to a converted try for WCC and a tense five minutes ensued as Bridport held on for the win they deserved. 17-15 the final score.

Bridport head to Bournemouth on Saturday full of confidence after a solid all-round performance.

Three way battle

FIRS, Cedars and Dogwoods are locked together at the top of the Morning League with two matches to go.

Sheila Burt and Lyn & Mike Craddock's Cedars trounced Dogwood's 20-4 to move back into a three way tie; their captain Mike Fletcher left kicking himself for playing his star player Sylvia Fletcher out of position, which meant they never got the great start she has provided all season.

Pat Anderson and Rose & Chris Everest's Firs are the new leaders over the Cedars after a 13-8 win against the Alders.

Tony Sharood, Ann Parkins & Barbara Jenkins's Hazels ended the Kingwoods hopes of honours, beating them 10-7, whilst Gordon Lee, Peter Varney & Martin Wilton's Larches who led Gumtrees 11-2, just edged it at the end 13-12.

Mary Hansford, Peter Hunt & Mike Parsons's Fox Hounds stay ahead of the Evening League thanks to a runaway 27-7 win over Airdales. Jack Russell's have the same number of points but have played a game more.

Julian Swinburne, Barry Mapson & Martin Wilton's Dalmations kept the pressure on the top two with victory over the Collies 17-7.

Viv Gill, Keith Pereaux & Keith Jenkins' Harriers finished 3.1,6 to earn a 16-11 win over the Kerry Blues. Meanwhile David Jenkin, Geoff Hansen & John Davies's Great Danes thumped the Labradors 18-4, and Liz Walker, Brian Legg & Ivor Parker's Beagles finished 2,1 to draw with Val Dodd, Jenny Harding & Phil Hedges' Elk Hounds 15-15.

Hand it to Glover

By Richard Jackman

IN the September medal, Division One, Tom Glover shot a brilliant -2 gross 69, including a dazzling back nine with four birdies and an eagle, for the best score of the day to win by one shot from Gareth Williams, nett 69, who just pipped David Riches on countback.

Division Two was won by Mark Lewis with a nett 69, with Neil Smith in 2nd place one shot behind and Merv Knight 3rd with a nett 71.

Richard Jackman won the seniors' Gordon Putter competition with a nett 65, but the headlines went to Roger Clarke who came second with 67 which included a hole-in-one on the 3rd. Jim Kerr edged out the rest to come 3rd on countback with a nett 70.

In the midweek stableford a romping front nine saw Colin Baker take the honours with 36 points from George Seed, 35 points who pushed Kevin Payne to third on countback.

The junior medal saw the first three all score a nett one over par 72, but on countback the order was Ben Prosser, David Lyon and Jonathan Day.

Successful finals weekend at Lyme Regis Bowls club

WHAT a busy week! three friendlies and the Club Finals on Saturday and Sunday *writes Paul Moffitt*.

First up on Finals weekend was the Ladies 4 Wood Championship between Ann Allman and Angela Rattenbury. Angela took a while to get going whilst Ann opened up an 11-3 lead. Angela fought back to 12-14 but, experienced campaigner Ann took control to win 14-22.

Next up was the Ladies Invitation contested between Jan Parsons and her partner Dave Wood and Pam Weech and her partner Trevor Allman. This game started out as a very one-sided affair, Trevor & Pam opened up a lead of 22-1 which was to prove too much for Dave and Jan who succumbed to a 28-11 defeat.

The afternoon brought the three set singles between Charlie Barber and Barry Rattenbury. Despite the name of this competition, the final is played over five sets. The first went to Barry 8-3 then the second to Charlie 7-5. They took a set apiece over the next two to set up the deciding 5th. It took eight ends to find a winner with Charlie edging it at 7-5 to secure the title.

The Ladies Drawn Pairs was between Nola Stephens & Jasmine Bishop and Angela Rattenbury & Judith Moffitt. Jasmine and Judith had a good tustle up front with little to separate them but, at the back end Nola's skipping credentials were too strong for Angela and the game was wrapped up at 22-7.

The married couples final was between Ann & Trevor Allman and Sue & Dave Wood. Sue more than held her own against Ann but Trevor, who had switched to the back end for this encounter, appeared too hot to handle for Dave. Despite tying at 8-8 after eight ends, the Woods slowly lost ground and were finally beaten by 23-14.

Into Sunday's programme and the morning was set alight by the encounter between Barry Rattenbury and Steve Pomeroy contesting the Men's 4 Wood Handicap. Barry was giving away one shot to Steve, that'll change next year, and so the game commenced.

I have been watching and commentating on these finals for many years now and this has to be the standout game with the duo putting eight woods into the space of a tea tray. But it was Steve who holed out with a two to clinch the title 21-19.

The Ladies Handicap match between Nola Stephens and Diana Courtenay-Smith was another absorbing encounter. Nola had no answer to Diana's impeccable drawing and flamboyant weighted shots early on and

◆ **GREAT MATCH:** Barry Rattenbury (left) and Steve Pomeroy played out an enthralling Mens' 4-Wood Final with Pomeroy scraping home 21-19

soon found herself trailing 16-5. However, Nola suddenly became energised and Diana appeared to flag and the balance of the game changed with Nola managing to come home 23-19.

In the Open 2 Wood Pairs Charlie Barber & Tony Payne took on Pam Weech & Geoff Clode. Charlie's back-end game was immaculate and the pair eased over the line at 18-9.

In the 'Rocky' it looked as if Eric Skeemer opened up a commanding13-5 lead over Philip Stephens. But Philip dug deep with two and four shots in consecutive ends to win 21-16.

Paul Pomeroy, who was delayed because he was competing in short mat finals in Exeter, had to sacrifice his 2 Wood match against Geoff Clode in order to play in the Men's Championship against Charlie Barber.

Charlie edged 7-3 in front after five ends. Paul managed to nose ahead ahead at 10-7 after nine ends and never lost the lead thereafter winning 21-14.

The Fillies title went to Pam Weech who overpowered Nola Stephens 21-3.

In the Men's Drawn Pairs there was a big shock with the much-fancied Don Meylan & Mick Heneghan beaten 27-15 by relative newcomer Roger Bishop 7 Philip Stephens.

Good support for Captain's Charity

THERE was a good turnout for the recent Ladies' and men's Captains' Charity Day, with this year's chosen charity The Dorset & Somerset Air Ambulance benefitting to the tune of £1,080 raised with the help of raffles, coffee mornings, a hog roast and numerous other events organised by the captains and members.

Lyme Regis Gig Racing

Fine podium finishes for Dorset Clubs

THE recent Bank Holiday weekend's inclement weather didn't stop the next round of the gig racing calendar taking place.

Hosted by the Sidmouth Gig Club, a fairly new club, it was a very well organised event and credit must go to those who made it happen.

The first two races featured the Ladies A and Ladies B teams both of which took place in the pouring rain.

This however did not dampen their spirits and some great racing ensued. Both Lyme crews scored a creditable 5th position in their respective categories.

Following these races, the sun came out providing more pleasant racing conditions for the remainder of the afternoon.

The Men's A race followed in which Lyme's B crew posted an excellent 3rd position, holding off a challenge by the Weymouth A crew who were only 18 seconds behind them on the finish line.

Lyme entered a second B crew in a borrowed boat and finished 6th ahead of the host crew.

Following this was the Men's B race in which Lyme entered their C team. Again, a credible performance saw them finish 5th only seven seconds behind Bridport B.

The remaining races would see the senior section of the Lyme club come into their own, in so doing increase their overall rankings for the afternoon.

In the Ladies Vets Lyme club made a significant contribution by posting an impressive 4th position.

In the Men's Vets, after a very good start, they very soon made headway over all of the competition with the biggest threat coming from the Weymouth crew.

After a close run race, Lyme took Weymouth on the line to win the race by five seconds.

◆ **WINNERS:** The Lyme Regis Men's Vets team of (from left);Henry Barlow (Cox), Elliott Dale, Tony Ford, Chris Bailey, Neil Spurdle, Toby Newson, Nick Bale

This left the Mixed crew race. After a battle with 'Spirit of Langstone' from Hayling Island, the Lyme crew in 'Black Ven' nosed in front of them to take 3rd position, 11 seconds ahead of the Hampshire crew.

This, again, earned the Lyme club a podium finish, sharing it with Weymouth and Bridport.

Seasiders purr to impressive victory

by Howard Larcombe
howard@pemedia.co.uk

GOALS from substitute Joe Bond (2), Mark Bailey, Sam Jones and Man-of-the-Match Julien Simier saw Lyme Regis bank their first ever points in the Devon & Exeter League Division Two with an impressive 5-2 win in their 'local' derby over Tipton St John at the Davey Fort.

Lyme led all the way. Strikes from Bailey, who was also at his creative best, and Jones earned them a 2-1 interval lead – with Jody Freeman's long-range strike for Tipton was one of the best goals seen at the Fort for a long time.

In the second-half Simier was rewarded for a hard-working performance with his third goal in as many games and Bond came off the bench to cut through the Saints defence and score twice.

With the squad looking strong the signs are good for The Seasiders.

Next up is Saturday's 140-mile round trip into the heart of Devon to take on Chulmleigh.

Meanwhile, a goal from former first team top scorer Jon Whetlor couldn't save LYME REGIS BANTAMS from a 5-2 defeat on their Perry Street Premier Division debut at Netherbury. Pete Peacock bagged the Seasiders' third string's other consolation from the penalty spot.

Rob Larcombe's side entertain Winsham United at Woodroffe School on Saturday (2.30pm ko)

Over the border UPLYME came from behind to beat Tivvy Park Rangers 4-2 on penalties following a 4-4 draw after two hours of Devon Intermediate cup action at Venlake.

Ryan Fifer (2), Dan Boot and Niall Waterhouse netted for the Swallows.

Uplyme return to PSDL action next weekend when they travel to Wadham School to take on hosts Crewkerne Rangers in a Division One clash next weekend.

CHARMOUTH's bright start to life down in Division Three continued as they hammered Crewkerne Rangers Reserves 5-1 at Barrs Lane.

Bill Ward, Paul Miners, Danny Rendell, Dan Rumsby and Dan Watson shared the goals for the Robins.

Next up for Charmouth is the short trip to Tatworth to take on Perry Street Reserves.

UPLYME RESERVES' first game of the season brought a fine 5-2 win at Chard United

Next weekend the Uplyme second-string welcome reformed Fivehead.

After a weekend off LYME REGIS RESERVES return to Devon & Exeter League Division Seven action with a first ever visit by Wellington Town 3rds, kick-off at the Davey Fort is 3pm.

◆ Lyme Regis have been drawn away to Sherborne Town Reserves on October 3rd in round one of the Dorset Senior Trophy. Ground restrictions in this competition mean The Seasiders cannot play ties at home.

The following week the Seasiders' Reserves head off to Piddlehinton United in round one of the Intermediate cup.

Civil unrest

THE eligibility of Uplyme & Lyme Regis' Cricket Club's 1st XI's victory in last week's Devon League Division C play-off is being questioned by opponents Plymouth Civil Service & Roborough on social media.

Civil are claiming that Jon Whetlor, who struck a superb unbeaten 129 in Uplyme's 115-run win, should not have been given clearance to play by DCL officials.

Their claim is that although Whetlor's registration is still retained by Uplyme he did not feature in three games for the club in the last two seasons as stipulated in the rules.

DCL Secretary Ed Leverton has stated that although there 'maybe an issue' he has as yet 'received no formal complaint from Civil'.
